

You're Invited to the 8th annual HFA Clients Fly-Fishing Trips "Return to Rawhide" June 28 and August 24, 2023

In the high-country of Colorado, there is a very special place called Rawhide Ranch, located on the North Fork of the South Platte River just south of Bailey. Rawhide is, without question, one of Colorado's premier fly-fishing properties, where you will find an abundance of Rainbow and Brown Trout ranging in size from 10 to 29 inches.

We invite you to join us for a spectacular day of fishing—that you won't soon forget—on either of the two dates listed above, when Hartmann Financial Advisors, LLC, will host the eighth annual client Fly-fishing trip. We have room for a total of 10 fishermen, who will be accompanied by five of Colorado's best fly-fishing guides, led by Pat Dorsey and John Keefover.

These events are being booked through the Blue Quill Angler in Evergreen, and they will be providing all necessary equipment: rod, reel, and waders (if needed). So while you can bring your own equipment, it is not necessary. Also, you do not need to be an experienced fly-fisherman; many beginners have done quite well at Rawhide, because these guides are also great teachers.

We have several sponsors who will help reduce the cost per fisherman to just \$300.00 (a 50% discount) for the day. **If you would like to join us for what promises to be an exciting day of fishing, please call Katherine or Jayme at 303.756.8900.** These spots usually fill up fast, so don't delay! The last time I fished Rawhide, I had 27 fish on the line and got 19 in the net; and as you can see from these pictures, we're not talking about small fish!
